

DR. ARUN KUMAR ULLEGADDI

Consultant - Cardiology

Qualification

MBBS | MD(Internal Medicine) | DM - Cardiology

Overview

Dr. Arun Kumar Ullegaddi is a famous heart specialist in Bangalore practising at Manipal Clinic Begur. Dr. Ullegaddi obtained an MBBS degree from BLDEA's Shri BM Patil Medical College Hospital and Research Centre Bijapur in 2007 and an MD in General Medicine from Rajiv Gandhi University of Health Sciences in Bangalore in 2013. He went on to enhance his expertise in cardiac issues and did his DM in Cardiology from the prestigious Sri Jayadeva Institute of Cardiology in Bangalore in 2018. As a Cardiologist, Dr. Ullegaddi specialises in diagnosing and treating various cardiac conditions. His approach to patient care goes beyond medical treatment; he focuses on reassuring patients and alleviating their anxieties related to their cardiac conditions. This patient-centric approach has earned him a reputation for providing exceptional care, leading to high patient satisfaction. Dr. Ullegaddi offers a comprehensive range of medical services, such as Holter Monitoring, Non-Invasive Cardiology, Echocardiography, and specialised treatment for Chest Pain. His deep understanding and compassionate approach enable him to effectively diagnose and manage various cardiac conditions, ensuring the best possible outcomes for his patients. Overall, Dr. Arun Kumar Ullegaddi is a trusted name in the field of cardiology for Bangalore residents for his extensive expertise and dedication to patient care.
