

DR. ABHINAV JAIN

Consultant - Urology

Qualification

DNB (Urology) | MS (General Surgery) | DNB (General Surgery) | MBBS

Overview

Dr. Abhinav Jain is a highly experienced urologist in Delhi. He completed his MBBS from Vardhman Mahavir Medical College and Safdarjung Hospital, Guru Gobind Singh Indraprastha University in 2010, MS (Gen. Surg.) from Vardhman Mahavir Medical College and Safdarjung Hospital, Guru Gobind Singh Indraprastha University in 2013, DNB General Surgery and DNB Urology from Muljibhai Patel Urological Hospital, MPUH, Nadiad, Gujarat* in 2017. Dr. Abhinav holds expertise in Robotic surgeries (Radical Prostatectomies, Pyeloplasties, Partial Nephrectomies, Reconstructive Robotic Surgeries), Laparoscopic Urologic Surgeries, Laparoscopic Donor Nephrectomies, Renal Transplant, AV fistula surgeries and vascular access, Endoscopic stone surgeries (URS, RIRS, Prone PCNL, Supine PCNL, Mini PCNL, Cystolithotripsy), Endoscopic lower tract surgeries (TURP, TURBT, Surgeries for urethral stricture), Uro Oncology (Radical cystectomy, Antegrade DJ stenting, PCN: Percutaneous nephrostomies and TRUS guided prostatic biopsies), Andrology, Paediatric Urology and Female Urology. In addition to offering optimum and personalised patient care, he actively participates in national and international urology conferences, workshops and seminars to stay updated about the latest advancements in the field. Dr. Abhinav has significantly contributed through his articles to multiple renowned publications. In his career of more than 7 years, he has been associated with many reputed organisations in the country and has gathered great experience and vast knowledge. Dr. Abhinav also ensures that his patients are aware of every aspect related to the recommended treatment, for which he educates and counsels them so that they can make an informed decision. He also consults with our medical specialists if the case demands a multidisciplinary treatment approach. All his patients appreciate his professionalism and compassionate conduct. With his dedication to improving his patient's lives and his vision of top-notch care, Dr. Abhinav continues to make important advancements in the field of urology. He does this through his pioneering contributions, patient-centred mindset, and commitment to excellence.
