

## DR. KADAM NAGPAL

Head and Consultant - Neuroimmunology & Movement Disorders And Neurology

### Qualification

MBBS | MD (Medicine) | DM (Neurology) | FEBN (Fellow European Neurology Board) | FRCP (Edin.) | FRCP (London)

### Overview

Dr. Kadam Nagpal has joined as a Head of Neuroimmunology & Movement disorders at Manipal Hospitals Dwarka. His areas of interest are Autoimmune disorders in Neurology and Movement disorders/Parkinson's disease and related disorders. He had been associated with various organizations like Vimhans, and Max Superspeciality Hospital in the past. Dr. Kadam has many publications in journals of high national and international repute. He had been actively involved in imparting academic training and teaching skills to resident doctors posted under the vertical. Dr. Kadam is a frequent speaker in many CMEs organized by physician forums and is keenly involved in teaching and training programs at various levels. He had been recently conferred with the very prestigious FRCP(London) in 2023 under the aegis of the Royal College of Physicians UK. Prior to this, he held FRCP (Edinburgh) which was conferred in 2020. He also holds a Fellowship in the European Neurology Board(FEBN) under the aegis of the European Academy of Neurology. Dr. Kadam had an impeccable academic record wherein he was a topper at the state entrance examination at the MD and DM levels respectively. His vast experience of 14+ years and knowledge makes him the best neurologist doctor in Delhi. His compassionate conduct, personalised treatment approach, sincerity and dedication towards his vision of offering optimum care have brought him great reviews and positive patient feedback. In addition to this, he also stays abreast with the latest developments in the field of Neurology by attending national and international events and enrolling on new courses from time to time. Dr. Kadam has also contributed his articles to more than 35 international and national publications in journals of high repute.

### Fellowship & Membership

- American Academy of Neurology(AAN), Indian Academy of Neurology (IAN).
- Movement disorders society(MDS), International Headache society (IHS).

### Field of Expertise

- Neurology
- Neuroimmunology-Autoimmune disorders in Neurology
- Movement Disorders & Parkinson's disease
- Epilepsy

## Languages Spoken

- English
- Hindi
