### DR. RAHUL S KANAKA

Consultant - Surgical Oncology

## **Qualification**

MBBS | MS-GS | MCh - SURGICAL ONCOLOGY

#### **Overview**

Dr. Rahul S. Kanaka is a surgical oncologist and an expert in the field of surgical oncology with years of experience. Dr. Kanaka has made essential contributions to the field of cancer therapy and boasts an amazing resume of credentials and specialisations. He is renowned for thoroughly understanding robotic and minimally invasive microsurgery techniques. Dr. Kanaka completed his MBBS from Mahadevappa Rampure Medical College in Gulbarga in 2004. He further pursued MS in General Surgery from Karnataka Institute of Medical Sciences (KIMS), Hubli, in 2009. To enhance his skills and knowledge in surgical oncology, he completed MCh in Surgical Oncology from the prestigious Cancer Institute (WIA) in Chennai in 2013. With a deep commitment to professional growth and staying updated with the latest advancements, Dr. Kanaka obtained a fellowship in Minimally Invasive Oncosurgery (Laparoscopic & Robotic) from Krishna Institute of Medical Sciences in Karad in 2015. Dr. Kanaka is an expert in surgical oncology, concentrating on identifying and surgically treating different types of cancer. His areas of expertise are medical oncology, neuro-oncology, basal cell carcinoma, benign tumours, blood cancer, bone tumours, brain tumours, breast cancer management, cancer screening, cervical cancer, cholangiocarcinoma, chondrosarcoma, choriocarcinoma, colon cancer, and endometrial cancer. No wonder he is considered the best

oncology surgeon in Hebbal, Bangalore. Dr. Kanaka has received several awards and recognitions throughout his career, including the prestigious Robotic Scholar Award in 2016. This recognition highlights his dedication and exceptional skills in utilising robotic technology in surgical oncology. Besides his clinical practice, Dr. Kanaka actively contributes to the medical community through talks and publications. He has shared his expertise and research findings through various presentations and publications. Some notable topics include "Parotid Metastasis from Rectal Primary," "Inflammatory Pseudotumor of Urinary Bladder," and "Contralateral Adrenal Metastasis in RCC." He has also participated in a series titled "THE RIGHT DOSE" alongside Dr. Ashok B C, discussing the topic of "Breast Reconstruction: A Medical Marvel For Breast Cancer Survivors?" Dr. Kanaka is a multilingual surgeon, proficient in English, Hindi, Kannada, Telugu, Tamil, and Marathi. This language proficiency allows him to effectively communicate with patients from diverse backgrounds, ensuring they receive personalised and comprehensive care. With over a decade of experience in the field, Dr. Kanaka has served in renowned medical institutions. He worked as a registrar at the Cancer Institute and later as a consultant in surgical oncology at Krishna Institute of Medical Sciences. He also held the surgical oncology consultant position at BGS Global Hospital in Bangalore and Sparsh Multi-specialty Hospital. Dr. Rahul S Kanaka is a registered Association of Surgeons of India (ASI) member, further highlighting his commitment to professional excellence and ethical practices. Since 2006, he is registered with the Karnataka Medical Council with registration number 70800.
