

MR. KENNITH G HEBICK

Consultant - Physiotherapy

Qualification

BPT | MPT

Overview

Mr. Kenneth G Hebick is a highly skilled and experienced physiotherapist at Manipal Hospital in Malleshwaram, Bengaluru. His work has created a major effect on the lives of several patients thanks to his considerable training and proficiency in physiotherapy. Both a Bachelor of Physiotherapy (BPT) and a Master of Musculoskeletal Physiotherapy (MPT) are degrees held by Mr. Hebick. His numerous fellowships and memberships demonstrate his love of learning and commitment to his field. He is a proud member of the Manual Foundation Therapy of India, Capri Institute of Manual Therapy, and the Bangalore Physiotherapy Network. Additionally, he is a certified Mulligan practitioner and a certified Stroke Rehabilitation Practitioner, showcasing his commitment to staying updated with the latest advancements in his field. With his fluency in multiple languages, including Kannada, Hindi, English, and Tamil, Mr. Hebick ensures effective communication and understanding with his patients from diverse backgrounds. He believes clear communication is crucial for establishing trust and providing care. Mr. Hebick offers a wide range of services to cater for the diverse needs of his patients. His specialities include transcutaneous electrical nerve stimulation (TENS), transcutaneous electrical nerve therapy (cryotherapy/cold therapy), range of motion and strengthening exercises, soft tissue mobilisation,

bandaging, taping, joint mobilisation, gait, and postural training, ergonomic training, balance exercises, traction, sports physical therapy, and the treatment of spondylitis. His wide range of services demonstrates his commitment to giving his patients all-encompassing, holistic treatment. As a sport and musculoskeletal physiotherapist, Mr. Hebick has garnered recognition for his exceptional skills and contributions to the field. He was awarded by the Sports Authority of India in 1998, highlighting his commitment to excellence and his contribution to sports-related rehabilitation. He is a top physiotherapist in Bangalore. Mr. Hebick has gained valuable experience at esteemed medical institutions throughout his career. He worked as a physiotherapist at Mallige Medical Centre from 1997 to 2000 and has been associated with Santhosh Hospital and Diagnostic Centre since 2000. He has been a physiotherapist at Manipal North Side Hospital since 2003 and has held the position of Chairman and Chief Physiotherapist at Sanjeevni Physiotherapy Centre since 2009. These extensive experiences have honed his skills and given him a deep understanding of various patient populations and conditions. Mr. Kenneth G Hebick is a highly respected and accomplished physiotherapist who has positively impacted the lives of countless individuals. Through his exceptional skills, vast knowledge, and compassionate approach, he continues to provide exceptional care and promote the well-being of his patients. His commitment to his profession and ongoing learning makes him a valuable asset to physiotherapy.
