

DR. M S ATHIYAMAAN

Consultant - Radiation Oncology

Qualification

MBBS | MD- Radiotherapy | DNB- Radiotherapy | MNAMS

Overview

Dr. M S Athiyamaan is a highly qualified and experienced radiation oncologist currently serving as Professor and Head of the Department of Radiotherapy & Oncology at Kasturba Medical College (KMC) Mangalore. With a wealth of experience and exemplifying a steadfast commitment to healing and innovation, Dr Athiyamaan is a renowned name in the medical community. His journey through academia and clinical practice reflects a profound dedication to alleviating the burden of cancer and improving the lives of patients. He is the foremost Radiation Oncologist in Mangalore. Dr. Athiyamaan embarked on his academic journey at Kasturba Medical College, Mangalore, where he earned his MBBS degree. Subsequently, he pursued a specialization in MD Radiotherapy from Kasturba Medical College, Manipal. His thirst for knowledge led him to obtain a DNB in Radiotherapy from the National Board of Examination, New Delhi, in the same year. Driven by his pursuit of excellence, he further enhanced his qualifications by attaining MNAMS from the National Academy of Medical Sciences. Dr. Athiyamaan's professional trajectory is adorned with notable positions and contributions. Starting as a Postgraduate Resident in Radiotherapy at Kasturba Medical College, Manipal, he accumulated three years of invaluable experience. Over the years, he ascended the ranks, serving as a Senior Resident, Assistant Professor, and subsequently as an Associate Professor in Radiotherapy at Father Muller Medical College, Mangalore. His journey culminated in his current role as Professor and Head of the Department of Radiation Oncology at Kasturba Medical College, Mangalore. Dr. Athiyamaan's leadership extends beyond clinical practice. He has held key positions such as Associate Professor at Kasturba Medical College, Mangalore, and Father Muller Medical College. He actively contributes to various academic and regulatory bodies, serving as an expert member in several esteemed institutions. His dedication to quality assurance is evident through his involvement in internal quality assurance cells and advisory committees. Dr. Athiyamaan's expertise encompasses a wide array of advanced radiotherapy techniques including Head and Neck Adaptive Radiotherapy, Volumetric Arc Radiotherapy, and Image Guided Radiotherapy, among others. His prolific contributions are reflected in numerous publications, research endeavours, and presentations at national and international forums. Dr. M S Athiyamaan epitomizes the blend of expertise, dedication, and leadership in Radiation Oncology. His journey serves as an inspiration, enriching the medical community and nurturing a legacy of excellence in patient care and research.
