

## DR. KIRAN KUMAR KINGER

Visiting Consultant - Paediatrics

### Qualification

MD | DCH | MRCPCH | CCT(UK)

### Overview

Dr. Rajaram Kiran Kumar Kinger is a distinguished paediatrician in Bangalore with over 28 years of rich experience in medicine. Currently, a Consultant - Paediatrics at Manipal Hospitals Millers Road, Dr. Rajaram brings a wealth of experience and expertise in a wide range of paediatric health matters with a special interest in Children with Diabetes, Vaccinations, Allergies, Asthma, Thyroid, and Growth Disorders and in-patient care of Babies and Children. Dr. Rajaram Kiran Kumar Kinger's illustrious academic journey began at Kilpauk Medical College, where he completed his MBBS. He then advanced training in Paediatrics, pursuing a DCH (Diploma in Child Health) from the Royal College of Paediatrics & Child Health, London. With a commitment to continuous learning and professional development, Dr. Kinger has pursued postgraduate medical training such as MRCP (Membership of the Royal Colleges of Physicians) and MRCPCH (Membership of the Royal College of Paediatrics and Child Health), United Kingdom. He has also obtained several fellowships from the Indian Academy of Paediatrics, the Indian Medical Association, and the General Medical Council. Dr. Rajaram Kiran Kumar Kinger brings a diverse skill set to his practice. He has held various positions in prestigious institutions, including Great Ormond Street Hospital for Children in London and several NHS trusts across the UK. His work in paediatric specialities such as Endocrinology, Diabetes, and Neonatal Care has earned him recognition as one of the Good Paediatricians in Millers Road. In addition to his clinical practice, Dr. Kinger is actively involved in academia, research, and medical education, contributing to various publications, audits, and research projects to advance paediatric knowledge and care. His dedication to teaching is evident through his involvement in OSCE examiner and PBL tutor training courses, as well as his contributions to examination question-setting groups. Dr. Kinger is committed to providing comprehensive paediatric care, supporting families and children through his visiting clinics and vaccination services. With his extensive training, expertise, and dedication to paediatric care, he continues to make a significant impact on the health and well-being of children in Bangalore and beyond.
