

DR. LOHIT SHETTY RAJU

Consultant Surgeon in HPB and Liver transplantation surgery

Qualification

MBBS | MS General Surgery | MCH GI & HPB Surgery

Overview

Dr. Lohit Shetty Raju is a renowned Consultant in Liver Transplantation Surgery at the Manipal Hospitals, Old Airport Road, Bengaluru. He is a well-respected expert in gastrointestinal cancer treatment, liver transplantation, and hepato-pancreato-biliary (HPB) surgery with a remarkable range of credentials. Along with an MBBS and an MCH in GI & HPB Surgery, Dr. Lohit Shetty Raju also possesses an MS in General Surgery. He is presently a lifelong individual from the Association of Surgeons of India because of his commitment to patient consideration and devotion. He is a foremost liver transplant surgeon in Bangalore. Dr. Raju's standing as a superb specialist goes before him, and he has more than once exhibited his mastery in the field of liver transplantation. His skill in complex careful surgical operations including the liver, pancreas, and bile ducts has laid him out as a top expert in hepatopancreatic biliary medical procedures. Patients in these places who require liver transplants or sophisticated surgical treatments can rely on Dr. Raju's skill and experience. In addition to his medical abilities, Dr. Lohit Shetty Raju is likewise known for his familiarity with numerous dialects, including English, Kannada, Telugu, and Malayalam. This phonetic adaptability permits him to speak with patients from different foundations, guaranteeing they feel great and understood throughout their medical journey. Among his notable accomplishments, Dr. Raju was awarded the prestigious 'Sri Balagopal Memorial Award' for being the Best Outgoing Student in MS General Surgery in 2016. This recognition speaks volumes about his exceptional aptitude and dedication to his profession. He continues to contribute to the medical field through his talks and publications, with his work on 'Vats emerging as a primary treatment modality in empyema thoracis' being widely recognised. Dr. Raju's contributions to liver transplantation surgery have been truly exceptional, and his prime membership with the Association of Surgeons of India further attests to his expertise. Dr. Raju has devoted his professional life to improving the lives of people with end-stage liver illnesses, with an emphasis on liver transplantation. He can carry out intricate surgeries with accuracy and ability because of his broad knowledge and surgical experience, giving hope to people in need of a life-saving transplant. As a renowned specialist in liver transplantation, Dr. Lohit Shetty Raju remains committed to providing high-end healthcare options to his patients. He is recognised as a renowned expert in his profession due to his credentials, vast experience, and outstanding accomplishments. Patients may put their faith in a highly experienced surgeon who is committed to their well-being and positive treatment outcomes by selecting Dr. Raju as their healthcare provider.
