Overview

Dr. Rathish Vishekun Rajendran is a highly skilled Urologist in Salem with a remarkable track record of seven years of practice in various hospitals in Tamil Nadu. At present, this best urologist in Salem is working as a consultant with the urology department at Manipal Hospitals Salem. He is a foremost urologist in Salem. Dr. Rathish completed his M.B.B.S. from The Tamil Nadu Dr. M.G.R. Medical University in 2009. He then pursued his Master of Surgery (M.S.) in General Surgery from J.S.S University, Mysore in 2013. Determined to enhance his expertise, he earned his M.Ch. with a specialisation in Urology from Sri Ramachandra University in 2016, where he graduated as the top-ranked student in the university exams. To master his skills in minimally invasive surgery, Dr. Rajendran pursued a Fellowship in Minimal Access Surgery (F.MAS) from the esteemed World Laparoscopic Hospital in Gurgaon, Haryana. He later pursued urology-related fellowships such as Fellowship in Laparoscopic Uro-Oncology, and Fellowship in Reconstructive Urology to broaden his experience in uro-oncology and reconstructive urology. Dr. Rathish Vishekun Rajendran possesses a broad range of expertise, including laparoscopic urology, kidney transplant, retrograde intra-renal surgery, laser procedures, neuro-urology, endo-urology, and open urological procedures. He has a special interest in minimally invasive urological surgery, including 2D and 3D laparoscopic and robotic procedures, covering uro-oncology, reconstructive urology, and urogynecology. He also has extensive experience in the management of complex urological conditions. Dr. Rathish has successfully performed over 200 Retrograde Intra-Renal Surgeries (RIRS), including large-volume stones and challenging anatomical kidneys. The doctor has actively participated in more than 50 renal transplant surgeries. Dr. Rathish has various publications to his name; some of which are "Functional Outcomes of Early Versus Delayed Pyeloplasty in Prenatally Diagnosed Pelvi-Ureteric Junction Obstruction" and "Comparison of Silodosin with Tamsulosin in Patients with Symptomatic Benign Prostatic Hyperplasia: A Prospective, Randomised Double-blinded Crossover Drug Trial". Dr. Rathish takes a compassionate approach and ensures that he is well-adapted to the latest advancements is what allows him to provide personalized treatment. Due to his dedication to delivering the highest standard of urological care to his patients through his extensive training, diverse expertise, and exceptional surgical skills, Dr. Rathish Vishekun Rajendran is named one of the best urologists in Salem, Tamil Nadu.
