

DR. T. GEETHA ANAND

Consultant - Obstetrics and Gynaecology

Qualification

MBBS | MD (O & G) | DGO

Overview

Obstetrics & gynaecology consultant, Dr. T. Geetha Anand is a highly accomplished and committed medical professional employed with Manipal Hospital in Salem. Her breadth of knowledge and proficiency in the field has helped her establish a reputation in reproductive medicine and women's health. Dr. Geetha Anand has an extraordinary educational background, holding an MBBS, an MD in Obstetrics and Gynaecology, and a DGO (Diploma in Gynaecology and Obstetrics). Her extensive training and current research have equipped her with the skills and proficiency to provide her patients with comprehensive care. Infertility treatment and services are one of Dr. Geetha Anand's main areas of expertise. She is devoted to assisting infertility-stricken families in realising their parental aspirations. She can effectively identify the underlying reasons for infertility and suggest suitable treatments. Dr. Geetha Anand is knowledgeable in various assisted reproductive techniques, including intrauterine insemination (IUI), ovarian stimulation (OI), and intracytoplasmic sperm infusion (ICSI). Dr. Geetha Anand also has extensive knowledge of female fertility and the complex procedures involved in conception. She provides complete reproductive medicine services to ensure that her patients receive the best treatment possible throughout their fertility journey. No wonder she has positioned herself as the best gynecologist doctor in Salem. Dr. Geetha Anand is an expert in high-risk obstetrics and infertility therapy. She offers comprehensive treatment to pregnant women who are experiencing challenging pregnancies, safeguarding the health of both mother and child. Her attentiveness to detail and sympathetic demeanour help her patients feel supported and reassured while easing their concerns about high-risk pregnancies. Furthermore, Dr. Geetha Anand excels in benign and preventive gynaecology. She emphasises the importance of regular check-ups and preventive measures to maintain optimal gynaecological health. With her vast experience and expertise, she performs gynaecological laparoscopic surgeries with precision and care, minimising discomfort and promoting swift recovery. Dr. Geetha Anand's dedication to her patients is evident in her caring and patient-centred approach. She learns about her patients' worries, explains diagnoses and available treatments in detail, and ensures they are actively involved in making healthcare decisions. Dr. T. Geetha Anand has become an eminent barrenness master and expert in obstetrics and gynaecology due to her extraordinary qualifications, immense experience, and obligation to ladies' wellbeing. She keeps on affecting the existences of her patients and their families while working at Salem's Manipal Medical Clinic.
