

DR. JOSEPH XAVIER

Senior Consultant - HOD & Chief of Cardio Thoracic & Vascular Surgery

Qualification

MBBS | MS (General Surgery) | M.Ch (CTVS)

Overview

Reputed cardiothoracic surgeon in Sarjapur Road Dr. Joseph Xavier is a highly successful medical professional with an exceptional academic background, providing him with a wealth of knowledge and expertise in his industry. He has over 26 years of expertise and is acknowledged as a thoracic-abdominal and cardiothoracic procedures specialist. More than 20,000 surgeries are listed in his outstanding resume, with a particular emphasis on cardiac operations for youngsters, including newborns and babies. Dr. Xavier has made substantial advances in this field by successfully performing complex cardiac operations on young infants. In 2002, he was the first to put a survivor on a left ventricular support device in Karnataka, demonstrating his proficiency in extracorporeal membrane oxygenation (ECMO) technology. He has also been involved in ground-breaking medical developments. Sri Chitra Tirunal Institute, a famous centre for medical technology research in Trivandrum, served as Dr. Xavier's training ground. During his time there, he was instrumental in the development and clinical testing of the TTK Chitra valve, an indigenous artificial heart valve made in India. Additionally, he broadened his knowledge by working in Leipzig, Germany, where he specialized in limited-access surgery for valve replacement and repair in infants and adults. For the same reason, he is considered the best cardio-thoracic and vascular surgeon in Sarjapur Road, Bangalore. Dr. Joseph Xavier's current areas of specialisation include adult and pediatric cardiac surgery, minimum access surgery for valve repairs and replacements, minimal access multi-vessel coronary bypass grafting on a beating heart, and the care of heart failure. He occupies several essential positions and actively participates in quality control programs. For example, he is a member of the hospital infection control committee and the OT users committee. Additionally, he contributes by teaching paramedical and surgical courses at Rajiv Gandhi University and mentoring trainees for the National Board of Cardiac Surgery. One of Bangalore's top cardiothoracic and vascular surgeons, Dr. Xavier, is well-known in Sarjapur Road. Dr. Xavier practices evidence-based medicine and follows international and national protocols in patient management since he has a strong sense of ethics. He can converse with many patients because he is good in Hindi and English. Dr. Joseph Xavier is a leader in cardiothoracic vascular surgery thanks to his remarkable skill and dedication to giving top-notch care. Dr. Joseph Xavier is a renowned cardiothoracic and vascular surgeon with over 26 years of experience. His notable accomplishments cover carrying out various procedures, especially on children, and participating in cutting-edge medical developments. Dr. Xavier excels in thoracic aneurysm surgery, endovascular stenting, limited access surgery for valve repairs and replacements, and the management of heart failure because of his solid academic background and specialized training. He gains much respect for his commitment to evidence-based medicine and ethical behaviour. Dr. Joseph Xavier can communicate with people from all backgrounds because he is fluent in English and Hindi.
