

DR. CODANDA BELLIAPPA POOVAIAY

Consultant - Joint replacement, Arthroscopy & Sports surgery

Qualification

MBBS | DNB (Orthopaedics) | Fellowship in Joint Replacement, Arthroscopy & Trauma Surgery (Germany) | Fellowship in Advanced Shoulder surgery (France)

Overview

Dr. C.P. Belliappa is a distinguished and board-certified orthopaedic surgeon with a passion for restoring mobility and enhancing the quality of life for his patients. With over 15 years of experience in the field, Dr. Belliappa has earned a reputation for his exceptional surgical skills, empathetic patient care, and commitment to advancing orthopaedic healthcare. He is regarded as the top orthopaedist in Sarjapur Road. Following his postgraduate orthopaedic surgery training, Dr. Belliappa proceeded to engage in a Fellowship training program specialising in Arthroscopy, Joint Replacement, and Trauma surgery in Germany. Furthermore, he embarked on an additional Fellowship program with a concentrated focus on Advanced Shoulder Surgery, encompassing both Arthroscopy and Joint Replacement techniques, in France. With a dedicated focus on delivering comprehensive orthopaedic care, Dr. Belliappa specialises in addressing a diverse spectrum of musculoskeletal conditions. His expertise encompasses everything from common injuries and fractures to intricate joint reconstructions and minimally invasive arthroscopic procedures. Dr. Belliappa's proficiency in joint replacement surgeries is widely acknowledged, as he employs cutting-edge techniques and technologies to ensure the

most favourable outcomes for his patients. Additionally, he is also focused on treating sports-related injuries, leveraging his extensive knowledge and skills in Arthroscopy and Sports surgery to aid athletes of various levels in their journey back to optimal performance. Beyond his surgical accolades, Dr. Belliappa is an active contributor to scientific literature, boasting multiple publications in peer-reviewed journals. His involvement in research further solidifies his commitment to advancing orthopaedic knowledge and practices.
