

DR. RAJ DEVASHIS CHAKRAVARTY

HOD & Consultant - Orthopedics

Qualification

MBBS | MS (Ortho) | MNAMS (Ortho) | DNB (Physical medicine and rehabilitation) | MCh (Ortho)

Fellowship & Membership

- Bangalore Orthopaedic Society.
- Karnataka Orthopaedic Association.
- Indian Orthopaedic Association.
- National Academy of medical Sciences.
- Association of Spine Surgeons of India.
- Indian Medical Association.

Field of Expertise

- Elbow Replacement Surgery
- Elbow Arthroscopy
- Lateral Epicondyle Release (Tennis Elbow)
- Fracture reduction and fixation
- Osteotomy
- Arthrolysis
- Shoulder Replacement Surgery
- Open Reduction of Fracture
- Repair of Shoulder Rotator Cuff
- Acromioclavicular Joint Repair
- Repair of dislocations
- Shoulder Labral Tears Surgery
- Surgical decompression
- Extensor mechanism realignment
- Shoulder Arthroscopy
- Arthroscopic Debridement of Calcium Deposits
- Paget's Disease
- Knee Replacement Surgery
- Unicondylar Knee Replacement
- High Flex Knee Replacement
- Minimally Invasive Knee Replacement Surgery
- Revision Single Knee Replacement
- Knee Arthroscopy
- Knee Meniscectomy
- Tibial Tubercle Transfer for Patellofemoral Arthritis
- Knee replacement - Bilateral

- Knock knee surgery
- Total Hip Replacement
- Acetabular Fixation
- Cemented Total Hip Replacement
- Cementless Total Hip Replacement (THR) Surgery
- Revision Hip Replacement
- Hip Replacement with Computer Navigation
- Minimally Invasive Hip Replacement
- Bilateral Hip Replacement Surgery
- Both Hip Replacements together
- Birmingham Hip Resurfacing BHR
- BHR with stem
- BMHR
- Minimally Invasive Hip Resurfacing
- Hip Resurfacing with computer navigation
- Leg Injury
- Partial Hip Replacement Surgery - Unilateral Hip Replacement
- ACL Reconstruction
- Revision ACL Reconstruction Surgery
- Patello Femoral Replacement
- High Tibial Osteotomy
- Lower femoral Osteotomy
- Posterior Cruciate Ligament (PCL) Reconstruction
- Arthrodesis
- Septic Arthritis Treatment
- Lateral Retinacular Release Surgery
- Arthroscopic Menisectomy
- Autologous Chondrocyte Implantation (ACI)
- Meniscal Repair
- Osteochondral Autografting - Mosaicplasty Surgery
- Ankle Arthroscopy
- Triple arthrodesis and internal fixation
- Corrective Osteotomy and fixation and bone graft
- Corrective osteotomy, fixation, and ligament reconstruction surgery
