- Fellowship in Endoscopic Brain and Spine Surgery, Jabalpur Medical College, India
- European Course in Minimally Invasive Neurotherapy (ECMINT), St Anne's College, Oxford University, United Kingdom.
- Author of eight publications in International and National peer-reviewed journals
- Presented research papers at International Neurosurgery Conferences in Kazakstan Edinburgh and Japan.

- Research audit on Decompressive Craniotomy in Severe Head Injury Research audit on Clinical features and outcome of Posterior Circulation Aneurysms.
- Guest lectures in several CME programs and Conferences in India.
- Organised several Conferences and CME programs on topics related to the Brain and Spine.
- Life Member of the following societies.
- Neurological Society of India.
- Neurological Surgeons Society of India.
- Skull Base Surgery Society of India.
- Indian Society of Paediatric Neurosurgeons.
- Neurotrauma Society of India.
- Delhi Neurological Association.

Field of Expertise

- Brain and Spine Injury
- Neuro Oncology (Brain Tumors)
- Brain Hemorrhage
- Paediatric Neurosurgery
- Aneurysm Surgery
- Endoscopic skull base surgery
- Spine -Spinal tumors, Disc prolapse, Degenerative spine disease

Languages Spoken

- English
- Tamil
- Hindi

Awards & Achievements

- Times Health care - Rising Star Award
- Author of seven publications in International and National peer reviewed journals
- Presented research papers in International Neurosurgery Conferences in Kazakhstan Edinburgh and Japan
- Research audit on Decompressive Craniotomy in Severe Head Injury
- Research audit on Clinical features and outcome of Posterior Circulation Aneurysms
- Guest lectures in several CME programmes and Conferences in India
- Organised several Conferences and CME programmes on topics related to the Brain and Spine.
- Huashan International Honor Award for outstanding contribution to Neurosurgery in a Developing country for her work.
- Invited Guest lecture on Cerebral Phaeohyphomycosis - Management of a fatal and sporadic fungal disease with continuing survival of more than 2 years.
- Awarded at the 13th Online Asian Congress of Neurological Surgeons, October 2022.
