

## DR. TEJAS SURESH RAO

Consultant - Physician

### Qualification

MBBS | MD

### Overview

Dr. Tejas Suresh Rao is a respected consulting physician at Manipal Hospitals, Yeshwanthpur renowned for his proficiency in Diabetology. Dr. Tejas Suresh Rao is among the top healthcare provider in Yeshwanthpur and has a stellar patient care record and a reputation for excellence. He brings his years of experience to his role as a consultant physician to give his patients complete medical treatment. He is committed to assisting people in achieving their utmost health and physical well-being. Dr. Tejas Suresh Rao has received a diabetes certification from the renowned MV Diabetic Centre, a Chennai-based WHO-accredited clinic. He is always up-to-date with current advancements in the diagnosis, treatment, and management of diabetes which enables him to offer tailored care, appropriate for every patient's need. Apart from his broad experience, Dr. Tejas Suresh Rao excels in Hindi, Kannada, and English. The knowledge of these languages assists him to keep in close touch with his patients and enables him to establish trust and understanding with every patient. Dr. Tejas Suresh Rao received the Best Paper Presentation Award at the 2008 Bellary KAPICON in recognition of his excellent contributions to medicine. His dedication to research and his ability to come up with innovative medical solutions are both highlighted by this distinction. Beyond lectures, Dr. Tejas Suresh Rao is dedicated to expanding medical knowledge. In 2011, at Bangalore's Pristine Hospital, he participated as the Fixed-Dose Combination (FDC) of Olmesartan and Rosuvastatin's Principle Investigator (PI). No wonder he is considered one of the best internists in Bangalore. Dr. Tejas' involvement in clinical research demonstrates his commitment to actively pursuing novel therapeutic approaches and advancing medical knowledge of a range of disorders. Patients who seek the assistance of Dr. Tejas Suresh Rao can anticipate sympathetic therapy, exhaustive evaluations, and extensive treatment regimens. His patient-centred strategy places equal emphasis on establishing long-term wellness as it does on resolving current medical issues. Dr. Tejas Suresh Rao is committed to encouraging his patients to take charge of their health since he is aware of the negative effects that chronic illnesses like diabetes may have on people's life. Dr. Tejas Suresh Rao continues to give patients in Bangalore first-rate medical care as a well-respected consultant physician at Manipal Hospitals. His persistent dedication to excellence and in-depth understanding of diabetes ensure that his patients receive the best possible medical care. For those looking for knowledgeable direction and treatment in managing diabetes and related diseases, Dr. Tejas Suresh Rao is a reputable choice due to his reputation as a dedicated and caring doctor.
