

DR. ANMOL NAGARAJ

Senior Consultant - Neuro Surgery & Spine Surgery

Qualification

MBBS | MS (General Surgery) | MCh (Neurosurgery) | Post-Doctoral Research Fellow (Rutgers University, USA)

Overview

Dr. Anmol Nagaraj, a seasoned neurosurgeon in Bangalore, has been in the field of neurosurgery for over a decade. Prior to joining Manipal Hospitals, Dr. Anmol worked at premier institutes like the Department of Neurosurgery, Robert Wood Johnson Medical School, Rutgers University, New Jersey - USA, KMC Manipal, Sparsh Hospital, Hassan & Bangalore, Brains Hospital and Adichunchanagiri Institute of Medical Sciences (AIMS), BG Nagara, Mandya. Dr. Anmol has done his graduation (MBBS) from JJM Medical College, Davanagere, Karnataka, under the aegis of Rajiv Gandhi University of Health Sciences. Immediately thereafter, he pursued his Masters (MS) in General Surgery at Adichunchanagiri Institute of Medical Sciences, Karnataka. He then completed his Super-Speciality Masters; MCh in Neurosurgery at the prestigious Manipal Academy of Higher Education, Manipal. Dr. Anmol was also awarded a Fellowship in Clinical Research at the renowned Robert Wood Johnson Medical School, Rutgers University, New Jersey, USA. Right from his student days, he assisted and practised Medicine at his father's nursing home in Hassan whenever he had the opportunity. He also served as Assistant Professor at the Department of General Surgery, AIMS, and worked as Registrar at the Department of Neurosurgery, Kasturba Medical College, Manipal. Dr.

Anmol's single-minded dedication to his profession, his energy and ready to go to great lengths for his patients' have endeared him to all. His rigorous training under the able professors at Adichunchanagiri, Manipal and Rutgers Institutes having made him sound in academics combined with his blessed pair of surgical hands are standing in good stead to take up any complex neurosurgical and spinal surgeries. He demonstrates unrelenting passion and a keen interest in Neuro Oncology, Neuro Vascular, Skull base, Neuro Trauma, and Minimally Invasive Spine Surgery. He has an inquisitive and scientific bend of mind with a strong research interest in the field of Neurosurgery and has already presented and published several national and international papers in different conferences, CME and journals.

Fellowship & Membership

- Post-Doctoral Research Fellow (Rutgers University, USA)
- Indian Medical Association
- Neurological Society of India
- American Association of Neurosurgical Surgeons
- Congress of Neurological Surgeons

Field of Expertise

- Micro Neurosurgery
- Navigation Guided Surgery
- Minimally Invasive Spine Surgery
- Neuro-Oncology - Brain & Spine Tumors
- Skull Based Tumors
- Stroke Surgery
- Neuro Trauma
- Spine Surgery
- Paediatric Neurosurgery

- Peripheral Nerve Surgery

Languages Spoken

- Kannada
- English
- Hindi
